

WMPC Chair's Report 19 October 26

At the beginning of the week I attended the Sizewell C Community Fund Celebration and Learning Event along with Cllr John Horsenell at High Lodge it was interesting to hear from parishes and individuals who have received a grant and have either completed their project or partway through plus any problems they encountered as we start out on the Wickham Market Village Hall Modernisation Programme.

Have you got your tickets to attend the local screening of the 'People's Emergency Briefing ' film on the risks to British life and the UK economy?

Crime Data as received from PC Claire Cox.
